

USER GUIDE

WooCommerce Finpay Payment Plugin
for WordPress

Installation

1. Di halaman admin, klik *Plugins/Add New*. Lalu *Upload Plugin*. Pilih file *finpay-woocommerce.zip* yang di download tadi. Lalu *Activate*.
2. Lalu menuju ke *WooCommerce/Settings/Payments*. Jika plugin sudah diaktifkan, maka akan ada tampilan seperti berikut.

≡	Credit Card	☒	Allows payments using Credit Card	Manage
≡	TCASH	☒	Allows payments using TCASH	Manage
≡	Mandiri Clickpay	☒	Allows payments using Mandiri Clickpay	Manage
≡	Felisa BRI Closed	☒	Allows payments using Felisa BRI Closed	Manage
≡	Felisa 021 Closed	☒	Allows payments using Felisa 021 Closed	Manage
≡	Felisa 021 Open	☒	Allows payments using Felisa 021 Open	Manage
≡	Felisa BNI Closed	☒	Allows payments using Felisa BNI Closed	Manage
≡	Felisa BNI Open	☒	Allows payments using Felisa BNI Open	Manage
≡	Felisa Permata Closed	☒	Allows payments using Felisa Permata Closed	Manage
